# Our App

# Bus Meet

## Features

# Home page

Navigate to create meetup events.  
Tap on the menu button to check nearby  
bus stops. Indicate bus transfers, and  
accept meetup invites.

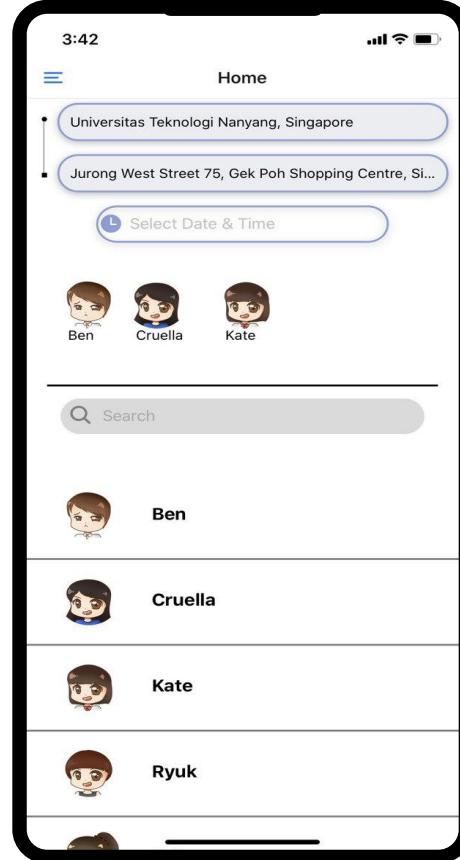

# Bus Meet

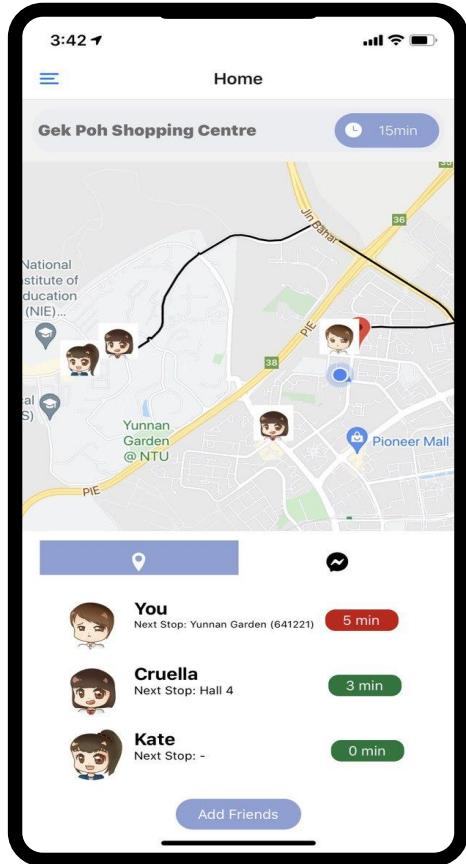

## Features

# Organise Meetups

Set location and time.  
Invite friends to meet.

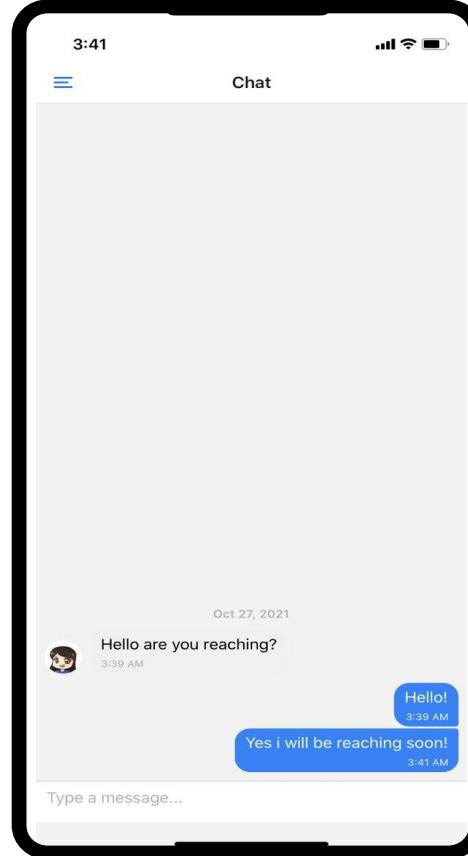

## View location of everyone

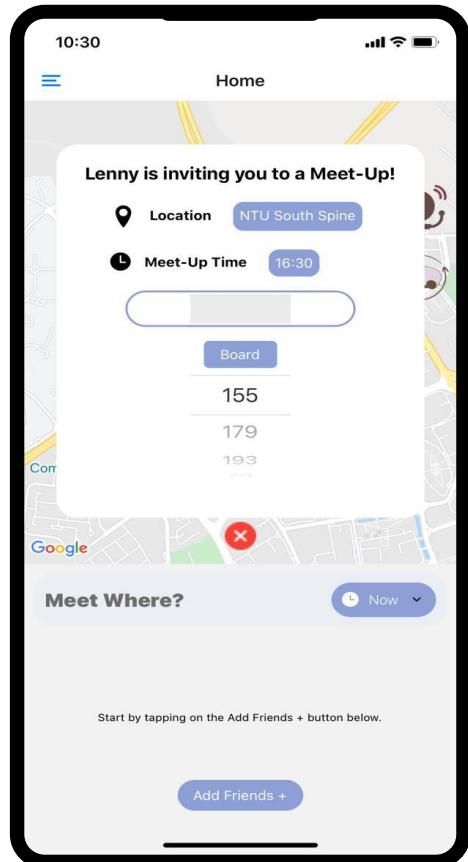

You can use observe friends on the map in real time, and view their estimated time of arrival.  
Check your route to destination.

# Chat

Tap on the messenger bubble to start a group chat with friends.

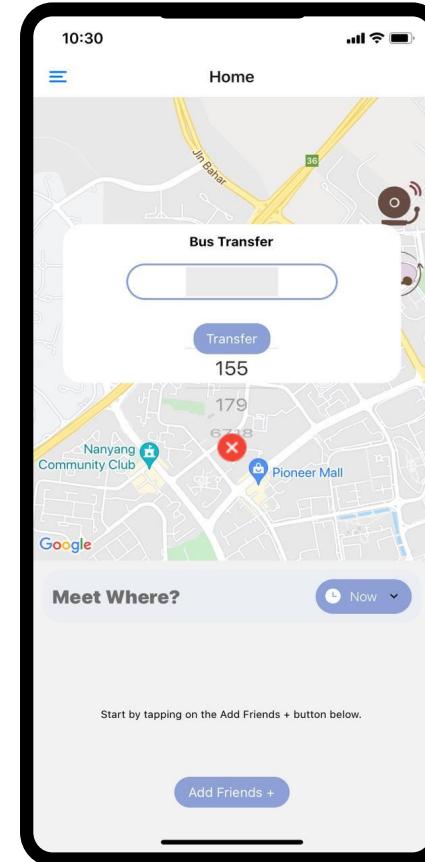

## Accept invites

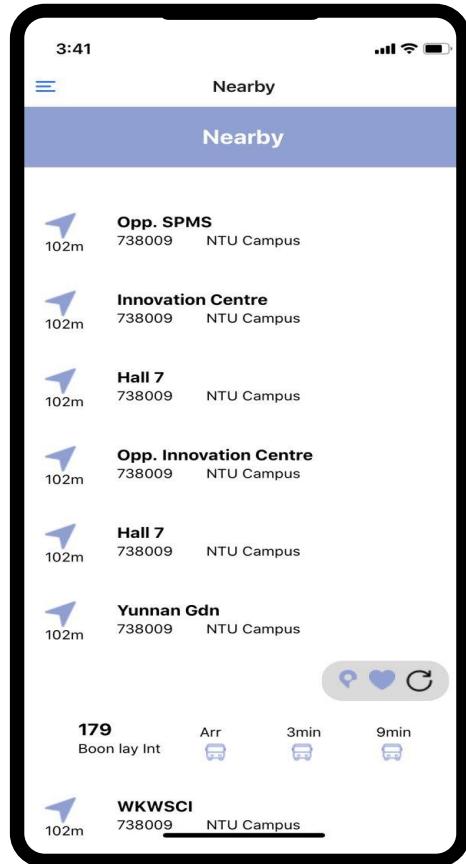

Notification pops up whenever you are invited to a meetup.  
Select the bus which you will be boarding.

# Indication transfers

Update your bus you  
are transferring to.

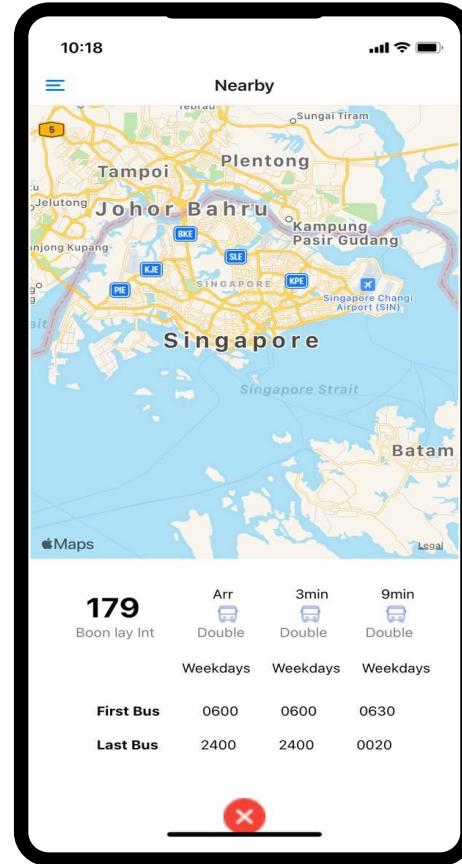

## Checkout nearby bus stops

View bus stops near you, and estimated arrival time of busses.

# Additional Info

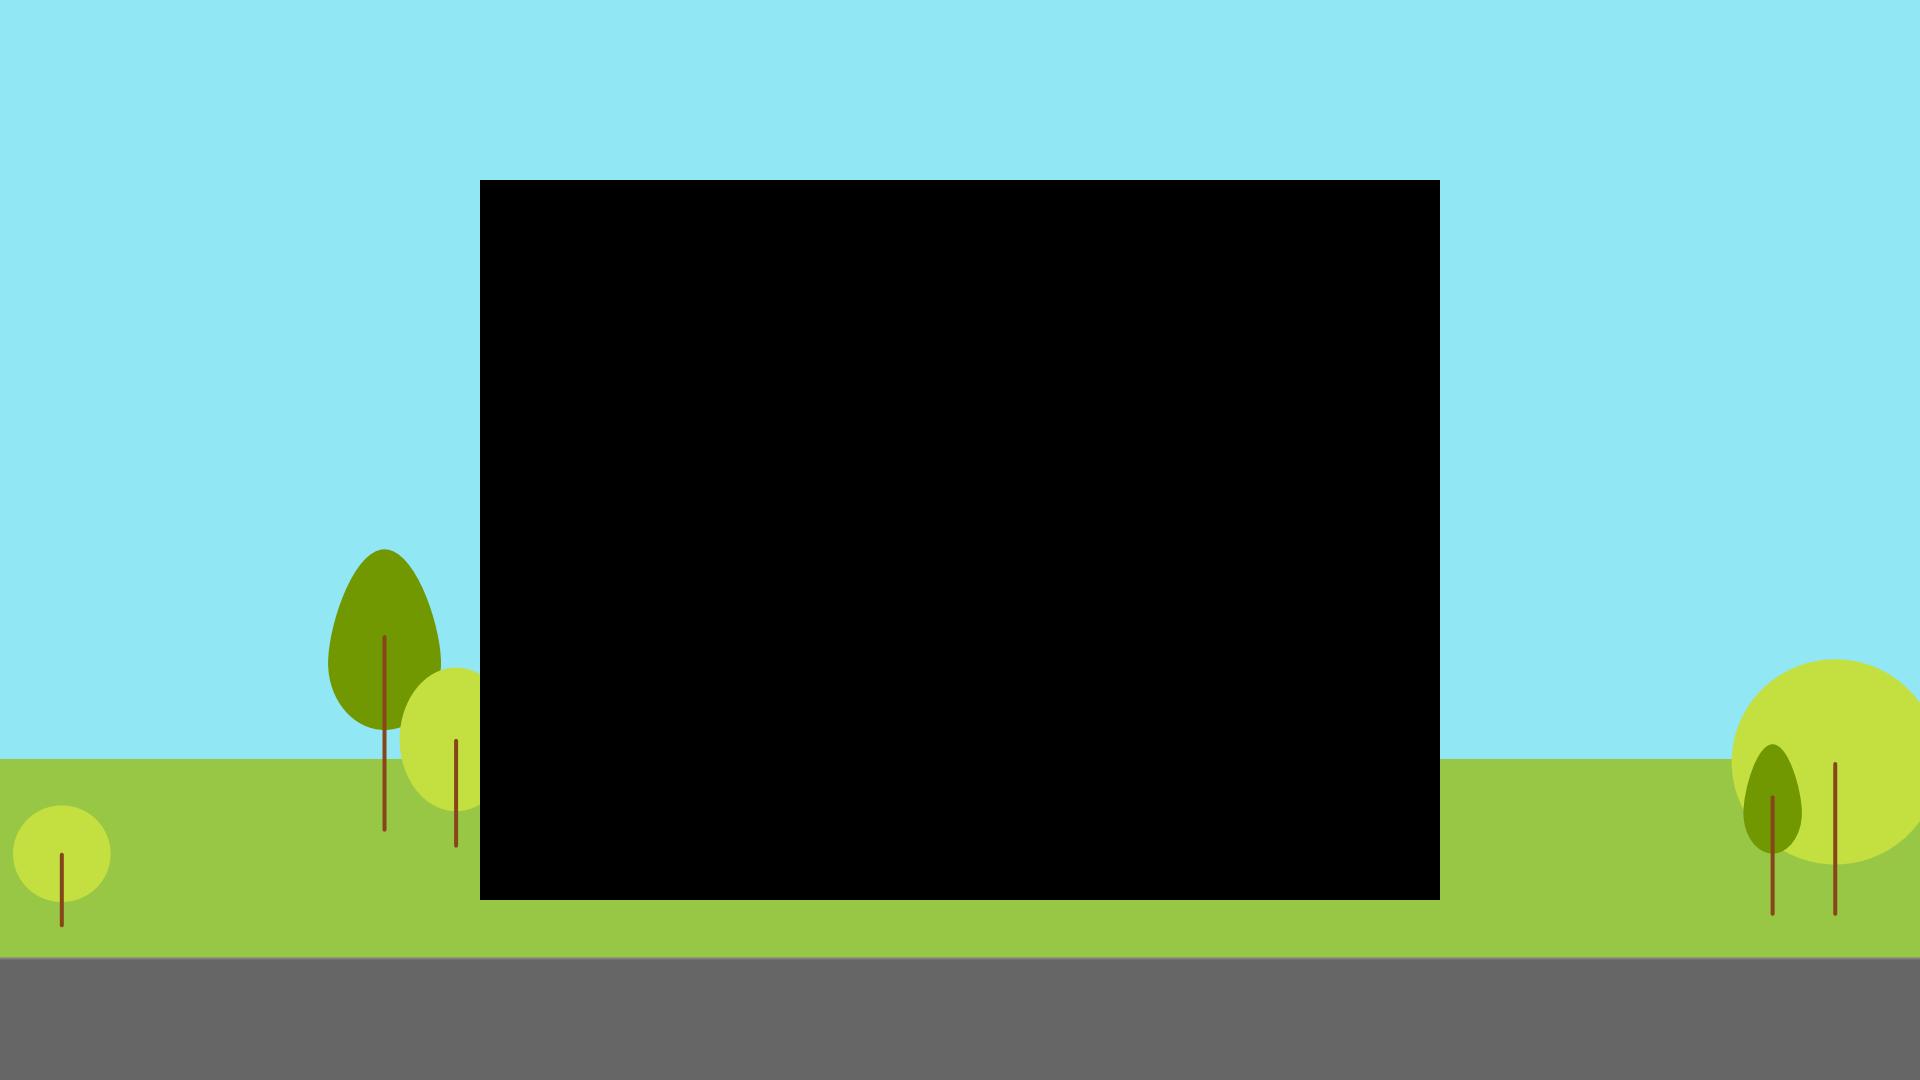

View type of bus  
(Single/Double decked).  
Display of First & Last  
bus timings.

179	Arr	3min	9min
Boon lay Int	Double	Double	Double
Weekdays	Weekdays	Weekdays	Weekdays
First Bus	0600	0600	0630
Last Bus	2400	2400	0020
